Detailed Speaker Events and Biographies

Jason McGinnis is CEO and CCA (Chief Coffee Aficionado) of NeoNova. His unique vision coupled with his drive to successfully execute on strategy, developed through his more than 20 years of leadership experience, allow him to excel at developing leading-edge solutions with singular focus on customer service, IT operations and security management.

Jason brings extensive experience creating forward-thinking company strategies, developing change management processes and procedures, implementing successful employee performance programs, and developing processes to reduce security risks and improve operational efficiency.

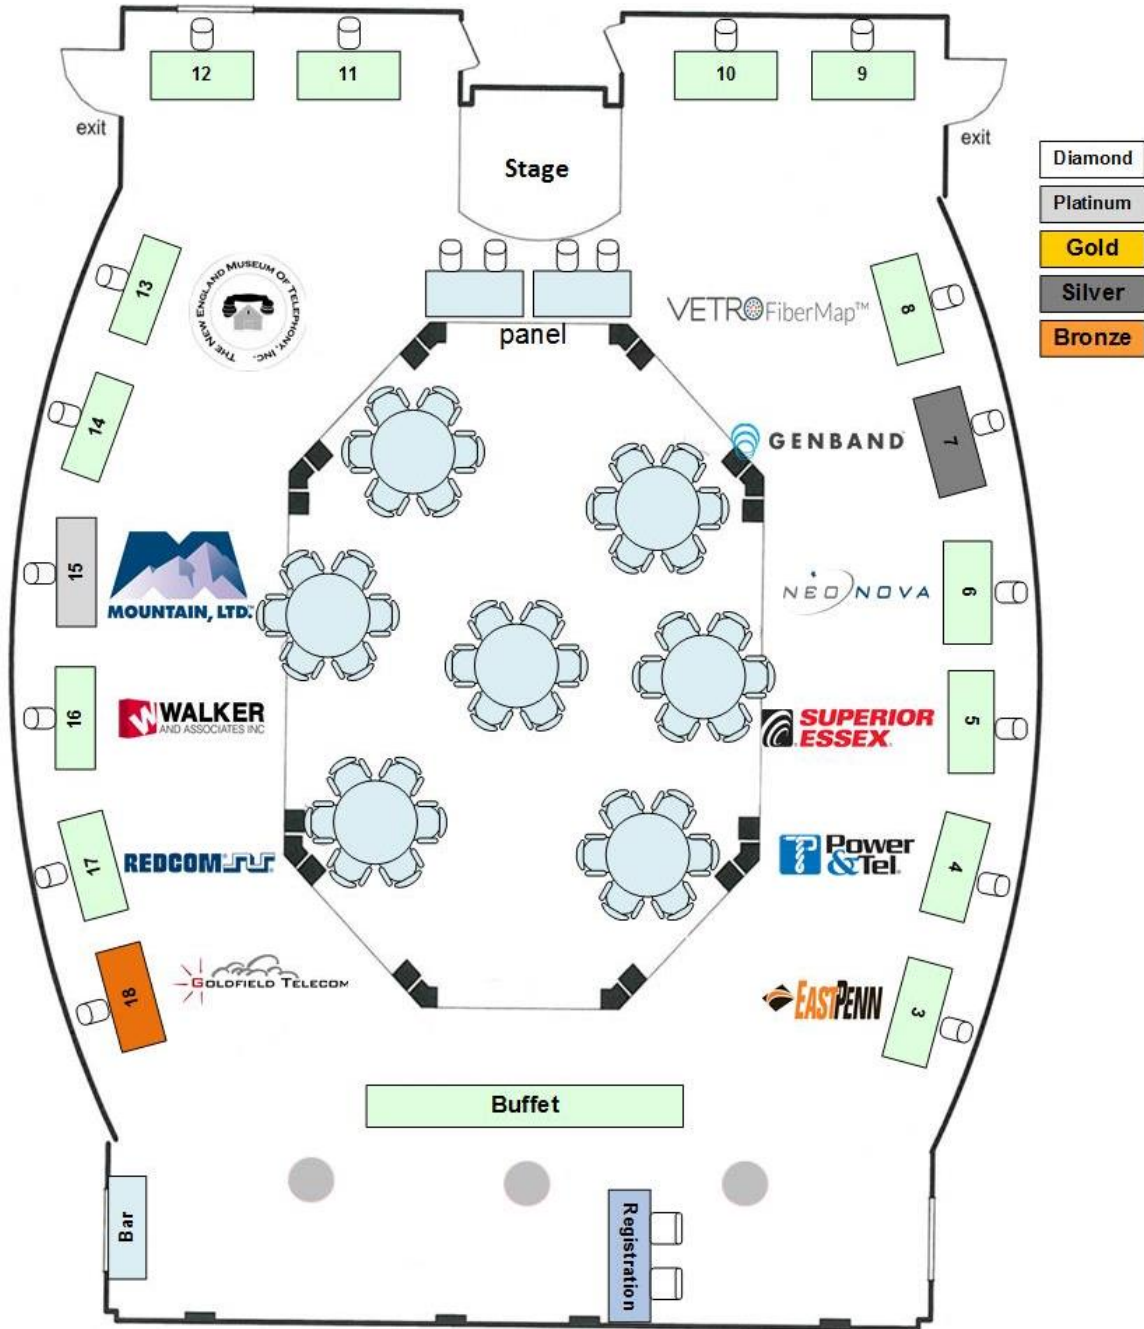

Prior to working for NeoNova, Jason, a former CISSP, served as VP of Security of Operations for Perimeter eSecurity (now BAE) preceded by roles at IBM, American Express and Walmart. He holds a BS in Business Management from Nova Southeastern University and an MS in Management Information Systems from Florida International University.
